Dog's Off Leash Park in Kleinburg

The Dog's Off Leash Working Committee has spent the past year working on selecting a suitable site for a Dog's Off Leash Park in Vaughan. The top rated site has been identified as the property at the north-east corner of Major Mackenzie Drive and Islington Avenue (Kleinburg New Forest).

Dog's Off Leash parks are good for dog development, provide a much needed service for dog owners, reduce the number of negative dog encounters in unauthorized locations, will attract out of community visitors boosting local business opportunities and can be an overall asset for the residents. The design of the park will be such that it will not be noticeable as you enter Kleinburg and funding for the development of a park (including buffer planting) has been approved.

Please sign below if you are interested in having the Dog's Off Leash Working Committee pursue having a Dog's Off Leash Park in the Kleinburg New Forest Site.
